

**Advanced Placement Biology Signature Sheet**  
**Fall Semester 2011**  
**Mr. Wolfe – Room H114**

**Print Student Name:** \_\_\_\_\_

Please access copies of class syllabus and safety contract through Mr. Wolfe's teacher blog found at [www.chattcougar.com](http://www.chattcougar.com). (Or access this page directly at <http://66.39.52.159/dwolfe/ap-biology> )

I have read the class syllabus and the safety contract for Fall Semester of AP Biology 2011. I understand what is expected of me both academically and socially. I have read and fully understand the safety procedures and guidelines for a laboratory setting. I understand the need to be safe and follow teacher instructions at all times while performing lab activities.

**Date**

I have read the class syllabus and the safety contract for Fall semester AP Biology 2011. I understand the specific academic requirements and workload that this class demands of my student. I have read the grading policies of this course as well as Chattahoochee's grade recovery policy. I understand this is in addition to Fulton County's attendance and discipline policies and procedures including but not limited to honor code and technology violations.

\*Parents: Please provide your email address; I will compile a distribution list to provide you with upcoming assignments or projects and news about your child's progress.

**HomeAccess:** Every parent is encouraged to use HomeAccess. You can find the link to HomeAccess on the left hand side of the Chattahoochee website (<http://www.chattcougar.com>). This web based program allows parents to obtain student grades, their cumulative average, attendance, tardiness, and conduct. I recommend using this program to help you stay informed about your student's progress. Upcoming assignments with tentative due dates may also be included. Please e-mail us with any questions concerning your student's grade. ([wolfed@fulton.k12.ga.us](mailto:wolfed@fulton.k12.ga.us))

Remember, **your child needs a BINDER** and plenty of paper for this class.
