ASSIGNMENT #2
COLORING PAGE

PROJECT

For this assignment, use Adobe Illustrator to design a coloring page. Your coloring book theme with relate to one of the seven continents. Upon completion, 10 to 15 students will be chosen to participate in a cross curriculum lesson with Messiah Montessori School Primary Class. Participants will be chosen based on research, knowledge, content, design and work ethic.

First, choose between the given continents to work with.

1st period: Antarctica, Europe
2nd period: Africa, North America
6th period: Asia, South America, Australia

Second, research the continent, its culture, its environment, what its known for.

Third, design a coloring page based on your research.
