## Day 1 Flight

**Overnight flight to Great Britain** • Relax as you fly across the Atlantic.

## Day 2 London

**Arrival in London** • Touch down in London, Europe's largest city. After clearing customs, you are greeted by your EF Tour Director, who will remain with you throughout your stay.

**EF walking tour of London** • Stroll through the heart of London on our EF walking tour, which begins along the banks of the River Thames. These shadowy waters gave the city its name, which derives from Llyn-Dyn, Celtic for "city of the lake." Walk along the Strand and see the spot considered to be London's geographic center; all measurements of distances to London end here. Enter Trafalgar Square and pause at Nelson's Column, built to commemorate his 1805 victory in the Battle of Trafalgar. Continue on to Leicester Square, where duelists once fought to the death. Then saunter through London's tiny Chinatown. Your walk ends at chic Covent Garden, where you'll enjoy watching street performers (or "buskers") amuse the lively crowds. (The exact walking route may vary, depending on your hotel location and the day's other activities.)

## Day 3 London

**Guided sightseeing of London** • A local guide leads you on a panoramic tour of London. Begin in Grosvenor Square, which is sometimes called "Little America" because it's

the site of the U.S. embassy and the house where Eisenhower once lived. Continue to Hyde Park Corner, located at the southeast corner of Hyde Park, one of London's largest parks. At bustling Piccadilly Circus, the intersection of five busy streets, check out the bright lights and big-city displays, before heading to Trafalgar Square. Pass Speaker's Corner, where anyone with something to say is invited to speak his or her mind. Snap a photo of the Houses of Parliament and continue along London's South Bank for views of the famous Tower of London and London Bridge. Stroll across the Millennium Bridge for an orientation of St. Paul's Cathedral, the magnificent 17th-century Baroque church designed by Sir Christopher Wren. Finally, witness a London tradition—the Changing of the Guard (subject to scheduling).

**Free time in London** • This afternoon, enjoy free time in London. You might wish to visit the original Hard Rock Cafe or Madame Tussauds wax museum, take a cruise down the Thames, or browse through the countless stores along Oxford Street. Attend a Shakespearean drama at a replica of the Globe Theatre, or visit the fascinating, hands-on exhibits of London's Natural History Museum.

## Day 4 London • Paris

**Transfer via the Eurostar from London to Paris** • In London, board the high-speed Eurostar, an 18-car train that runs through the tunnel connecting Britain with continental Europe. Completed in May 1994, the Channel Tunnel provides travelers with easy access

to and from the continent. Enjoy state-of-the-art technology as you glide under the English Channel to France.

**Arrival in Paris •** Welcome to Paris, cosmopolitan City of Light.

### Day 5 Paris

**Guided sightseeing of Paris •** Discover the city on the Seine, beginning with the imposing Arc de Triomphe, commemorating Napoleon's Grande Armée. Take a drive down the elegant Champs-Élysées to the Place de la Concorde. Pass the Conciergerie, where prisoners of the Revolution spent their final days, and see Les Invalides, Louis XIV's grand retirement home for wounded soldiers. You'll also see the École Militaire, where Napoleon graduated to lieutenant and was told he'd go far if circumstances allowed. Next, make a photo stop at the Eiffel Tower to marvel at the 6,000-ton centerpiece for the 1889 World's Fair. You'll hear the story of how this impressive—but once highly controversial—symbol of Paris was spared the wrecking ball in 1909. Pass the Opéra Garnier, where the famous Phantom of the Opera haunted his dear Christine, and marvel at Église de la Madeleine, designed as a temple of glory for Napoleon's army. Continue past the geometric gardens of the Tuileries as you make your way to the Place Vendôme, a vast square surrounded by elegant 17th-century façades.

**Optional excursion to Versailles •** Join an optional excursion to Versailles, the elaborate palace of Louis XIV. Here, the Sun King held court in the most lavish style imaginable. At one point, 1,000 nobles were attended by 4,000 servants inside the palace, while 15,000 soldiers and servants inhabited the annexes. Stroll through the elegantly landscaped gardens, designed by André Le Nôtre, tour the State Apartments of the King himself, walk through the historic Hall of Mirrors, and admire the ornate decor of the State Apartments of the Queen. (Please note: Because of the extreme popularity of Versailles, guided visits of the interior cannot be guaranteed during peak seasons. In this case, your group will hear a presentation from your guide before entering the palace. Please also note that Versailles is closed on Mondays.)

### Day 6 Paris • Night Train

**Visit to the Louvre •** Built to defend the city in the 13th century, the Louvre today safeguards one of the world's greatest art collections. Enter the museum through world-renowned architect I.M. Pei's glass pyramid,

constructed in 1989. Inside, discover priceless antiquities from Asia, Greece and Rome. You'll also see precious objects from the Middle Ages and the Renaissance, as well as iconic European paintings such as the *Mona Lisa*.

**Walking tour of Paris •** Meander through the Latin Quarter, an area dominated by the Sorbonne, Paris' most famous university, founded in 1253. As you stroll, look for the Panthéon, created by Louis XV because of a promise he made to build a church dedicated to Sainte-Geneviève if he survived a severe illness. You'll also explore Boulevard St. Michel and spend some time browsing the stacks at the famous Shakespeare and Company bookstore, which published James Joyce's *Ulysses* in 1922. As you make your way along the Seine, you'll also have the chance to browse the literary materials sold at *les bouquinistes*, the bookstalls that sell old books, maps, art prints and postcards. It's the perfect place to pick up some authentic souvenirs!

**Visit to Notre Dame Cathedral •** Built between 1163 and 1361 over the remains of an ancient Roman temple, it was here that Napoleon crowned himself emperor in 1804. Victor Hugo once described the sculptured façade of Notre Dame as "a vast symphony in stone." However, had it not been for the creation of his famous hunchback, Quasimodo, the cathedral might never have returned to its former glory. Hugo's novel *The Hunchback of Notre Dame* helped inspire a 23-year restoration of the cathedral that began in 1841. Step inside to admire the stained-glass rose windows and seemingly weightless vaulted ceilings.

**Night train to Florence •** Transfer to Florence via overnight train.

### Day 7 Florence

**Arrival in Florence •** Arrive in Florence, birthplace of the Italian language, the Renaissance and opera.

**Guided sightseeing of Florence •** Fall under the spell of the powerful Medici family on your guided tour. Pass the classical statues of the Piazza della Signoria, where Michelangelo's *David* originally stood and now the site of an impressive replica. From behind the Uffizi Palace, you will see the Ponte Vecchio, one of the city's only bridges to survive WWII and now one of its most photographed sites. The bridge provided the Medici easy access from the Pitti Palace to the Uffizi. Continue past the Chiesa di Santa Croce, final resting place of Michelangelo, Machiavelli and Galileo. Next, you will visit the Santa Maria del Fiore

Cathedral, better known as the Duomo, or dome, that dominates Florence's skyline. The dome was sculptor and architect Brunelleschi's finest work, and the nearby campanile (bell tower) was designed by the painter Giotto. Look for the famous bronzed doors—Ghiberti's legendary *Gates of Paradise*—at the Baptistery opposite the Duomo. Later, watch artisans at work at a local leather-making demonstration.

**Optional excursion to Pisa •** Opt to journey to Pisa. In the city's Field of Miracles, you'll see the 12th-century Leaning Tower, aslant ever since the third floor was built. This is where Galileo was said to have developed his laws of gravity. Be sure to visit the adjacent cathedral and baptistery, which contain exquisite marble pulpits carved in the Gothic style by Nicola and Giovanni Pisano.

### Day 8 Florence • Rome

**Transfer via Assisi •** Stop in Assisi, birthplace of both St. Francis and St. Clare. On your visit to the basilica of St. Francis, follow the life of one of Italy's most beloved saints through Giotto's artful frescoes.

**Arrival in Rome •** Arrive in *bella Roma*, the Eternal City. Here, Charlemagne was crowned by the pope in A.D. 800.

When unveiled at the 1889 World's Fair, the Eiffel Tower was the tallest building in the world.

### Day 9 Rome

**Visit to Vatican City** • Today, you will explore Vatican City, the world's smallest country. Begin at the Vatican Museum, where elaborate galleries filled with one artistic masterpiece after another lead you directly to the Sistine Chapel. Between 1508 and 1512, Michelangelo painted some of the world's finest pictorial images on the chapel's ceiling. This was his first attempt at working in fresco, which he did by standing up and craning backward from a scaffold. Next, tour St. Peter's Basilica, erected on the site where the saint was martyred. Enter the basilica under the watchful eyes of the brightly dressed Swiss Guard. Inside, admire Michelangelo's *Pietà*, the only sculpture he ever signed.

**Guided sightseeing of Rome** • Get to know Imperial Rome on a panoramic tour. Then spend time exploring the mighty Colosseum, Rome's largest amphitheater. Its elaborate construction spanned two emperors—building began between A.D. 70 and 72 under Vespasian and was completed in A.D. 80 under Titus. Originally built to accommodate nearly 50,000 spectators, the Colosseum played host to some of the most incredible spectacles of the day, including gladiatorial combat, mock sea battles, animal hunts, executions and even dramatic performances based on classical mythology.

**Walking tour of Rome** • As part of your walking tour of Rome, stop at the Trevi Fountain and make sure to toss in a coin to ensure

your return to Rome. Then view the Pantheon, one of the best-preserved ancient buildings in the city, commissioned by the Emperor Hadrian around A.D. 120. This temple to “all the gods” features the second-widest dome in Rome. Then, during free time, continue to the Piazza Navona before meeting at the Spanish Steps prior to dinner.

### Day 10 Home

**Return home** • Your tour director assists with the transfer to the airport, where you'll check in for your return flight home.

### EXTENSION

#### Day 10 Rome • Sorrento

**Guided sightseeing of Pompeii** • Learn how wealthy Romans lived 2,000 years ago on an excursion to Pompeii, one of the richest archaeological sites in the world. When neighboring Mount Vesuvius erupted in A.D. 79, volcanic ash completely buried the Roman resort, perfectly preserving the minutiae of daily life. Now it is fully excavated, and you can see ruins of villas, ancient temples and the Stabian Baths.

**Arrival in Sorrento** • Experience the unparalleled beauty of Italy's favorite resort, overlooking the Bay of Naples.

#### Day 11 Sorrento • Rome

**Guided sightseeing of Capri** • Cross the Bay of Naples to the captivating Isle of Capri. Travel by funicular to the town of Capri and

board a cruise to see the most spectacular views of Capri's coast. You'll see the Arco Naturale, a majestic stone arch on the eastern cliffs, and the famous Faraglioni, three enormous, pale-ochre limestone colossi that loom out of the sea. When weather conditions do not permit a cruise, groups will visit the town of Anacapri instead.

**Transfer to Rome** • Return to Rome, where you'll spend the night.

### Day 12 Home

**Return home** • Your tour director assists with the transfer to the airport, where you'll check in for your return flight home.
