

# Assignment #6

## PORTRAIT PHOTOGRAPHY

### **What to shoot?**

Individually, you need to shoot at least 20 images within the studio setting. You will use the strobe lights and backdrop for this assignment.

This assignment will be taken in class in the "studio". Your subject will need to be someone in this class. Experiment with the strobe lighting ... lights behind, in front of your subject ... both on one side, on opposite sides .... one versus two lights.

The camera should be set on manual settings:

**manual** mode

your shutter speed **MUST** be set on 125 to sync with the strobe

you choose the aperture to work with

Choose your best 5 images to be cleaned up and color corrected. Using Photoshop, edit your images — remove blemishes and red, blotchy skin ... and soften the subject's features.

### **What to turn in?**

Final images in a folder, labeled "lastname\_a6"

### **Where to turn in?**
