

# CLASSWORK #1

## WHAT'S YOUR FORTUNE?!

### PROJECT

Using Illustrator and/or Photoshop, create a composition based on your "fortune". This composition can be realistic or abstract. You decide!

For your document size and orientation, try to think out of the box ... literally, think about how your document can relate to the composition itself. Perhaps it needs to be long and skinny ... maybe square is the best option ... circle, anyone?!

### SPECS

Adobe Illustrator and/or Photoshop  
document size no larger than 12" x 18"

### WHAT TO TURN IN

completed design named, "lastname\_fortune.ai" or  
"lastname\_fortune.psd"
