SKETCHBOOK ENTRY

OBJECTIVE

Recognize the characteristics of typefaces within the seven typeface classifications.

PROJECT

Part One: Using magazines, find 3 good examples of type for each of the typeface classifications.

oldstyle or roman
san serif
slab serif
black letter
script
modern
decorative

Collect these examples and glue or tape them into your sketchbook. Next to or near each write the answer to the following question:

1. What typeface classification is this an example of?
